

## **APP and Charta Global join Pack Expo International 2018 in Chicago**

*Companies' latest innovations in sustainable food packaging featured at Booth N-5360, Containers & Materials Pavilion*

Charta Global and its exclusive strategic partner, Asia Pulp & Paper (APP), one of the largest pulp and paper manufacturing companies in the world, will showcase their extensive array of packaging products including food grade, compostable, specialty and consumer retails products at Pack Expo 2018 on October 14 – 17 at the McCormick Place in Chicago.

This year, the highlight of APP and Charta Global's exhibit is the FDA, ISEGA certified Bio Natura products from the company's foopak line which has been recognized by the Business Intelligence Group as the 2018 "Sustainability Product of the Year." These are 100% compostable, recyclable folding box boards ideally suited for fast food, take-away containers and hot beverage cups. Other products in the suite include greaseproof papers, boards and bakery liners.

Pack Expo International 2018 is one of North America's biggest gathering of packaging suppliers and manufacturers of goods, including the pharmaceutical and medical devices companies. The exhibit will convene 2,500 leading industry suppliers in around 1.2 million net square feet of exhibit space, with visitors expected from more than 125 counties. Pack Expo is produced by PMMI, The Association of Packaging and Processing Technologies.

### **About Asia Pulp & Paper Group**

Asia Pulp & Paper Group (APP) is a trade name for a group of pulp and paper manufacturing companies in Indonesia and China. APP is responsible for delivering quality products to meet the growing global demand for tissue, packaging, and paper, with an annual combined pulp, paper, packaging product and converting capacity of over 20 million tons per annum. On any given day APP's products find their way into the hands of consumers in various branded forms from all over the world. [www.asiapulppaper.com](http://www.asiapulppaper.com)
