

FOR IMMEDIATE RELEASE

Charta Global Now Offers New Compostable Frozen Food Cupstock Paper Board in the United States and Latin America

Anaheim, California, June 3, 2020 – Charta Global, today announced the expansion of its APP Foopak Bio Natura portfolio of sustainable, compostable and recyclable food packaging board grades with the addition of a new coated two-sided cupstock paper board. The new board is created for single serve frozen food confection products such as shakes, yogurt, smoothies, cold drinks as well as individual packaged frozen food meals.

Charta Global is a provider of specialty, office, stationery, food grade and packaging boards in the US and Latin America, and strategic partner to Asia Pulp & Paper (APP).

The newest addition to the Foopak BioNatura line, the C2S cupstock utilizes APP's sustainable water-based coating, eliminating the needs of traditional Polyethylene (PE). ISEGA, EN 13432 certified for composability, the product will break down within 12 weeks in an industrial composting facility. And, it is also European Union, EN 13430 certified for commercial and residential recyclability.

The entire Foopak portfolio of board products are FDA certified and available in multiple kit levels, wet strengths, edge wicking, coatings, and calipers/gsm's for end use. The highly durable surface options are perfect too for intricate graphics and branding. Foopak is also PEFC chain of custody certified, one of the worlds largest global forest certification systems.

“Sustainability is no longer a nice-to-have but becoming a value for many global brands to find, get and keep customers,” said, Rizal Setiadi, President, Charta Global. “Foopak BioNatura delivers a total circular approach towards sustainability, from material sourcing, to product development, to end-of-life solutions, a true market differentiator.”

About Charta Global

Charta Global, headquartered in Anaheim, CA, sells an extensive portfolio of paper products which include: coated and uncoated for commercial and digital printing, coated folding carton boards, cast coated, food grade products, kraft, colored papers, brief card, woodfree, photocopy & digital papers, carbonless, thermal, art, stationery products and parent roll tissue products.
