Charta Global Receives Indonesian Trade and Government Recognition at Annual Gala

Anaheim California, June 13, 2016 - The Consul General of the Republic of Indonesia has honored Charta Global for its continuing expansion, leadership and growing import volumes of Indonesian paper products into the United States.

The award was given at its annual Buyers Appreciation ceremony held in Los Angeles California by The Consulate General of Indonesia and Indonesia Trade Promotion Center and follows Charta's nomination of the prestigious Primaduta Award, which recognizes companies who demonstrate bilateral trade growth and successful job expansion in both Indonesia and the United States. The President of the Republic of Indonesia, President Joko Widodo will present the award during the opening ceremonies at the national Indonesian Trade Expo in Jakarta on October 12, 2016.

According to Mr. Arief Wibisono, Director of the Indonesian Trade Promotion Center in Los Angeles, "Year-after-year, we have continued to see growth in trade between Indonesia and the United States, and companies like Charta are helping to facilitate that important growth between our two countries. Not only are we able to provide US consumers access to some of Indonesia's most innovative and exclusive products, but also help grow and create job opportunities in both countries as well, we are thrilled to be engaged with business leaders such as Charta Global. "

"We are both humbled and honored to be recognized by the republic of Indonesia." said Mr. Rizal Setiadi, head of Charta Global. "The combination of Indonesian products and a dedicated U.S. sales and support staff, provides an unmatched set of capabilities, combining both countries and cultural expertise into a single dynamic team. As we look to expand our paper business and product base, we can continue to provide our customers with Indonesia quality, while incorporating American values".

Charta Global, headquartered in Anaheim, CA distributes a diverse portfolio of world-class coated/uncoated and specialty papers for commercial and digital printing. The product mix also includes carbonless, thermal, NCR, art board, stationery and office products.
